Dear Mr. Roux,

Subject: Expression of Support

I am writing to you on behalf of the Limpopo Economic Development Agency (LEDA) to express our full support for the Zero Carbon Charge initiative's efforts to establish a robust electric vehicle (EV) charging infrastructure network across the Limpopo Province.

Advancing Sustainability Initiatives

The global transition towards sustainable energy and transportation solutions opens up numerous opportunities for regions abundant in renewable energy resources. Limpopo, with its significant solar potential, is ideally positioned for the development of an extensive EV charging network. LEDA recognizes the transformative impact EVs can have in guiding South Africa towards a cleaner, more sustainable future. By endorsing industry leaders like Zero Carbon Charge, our goal is to facilitate the creation of a resilient EV charging infrastructure, thereby greatly enhancing the EV landscape in Limpopo.

Aligning with Environmental Objectives

This initiative perfectly aligns with the vision outlined in Limpopo's Green Energy Strategy and Masterplan. A comprehensive EV network will reinforce the province's commitment to sustainability by offering carbon-neutral mobility solutions, thereby not only advancing decarbonization efforts but also nurturing a vibrant ecosystem for green energy utilization. Support for Zero Carbon Charge

LEDA is firmly committed to supporting the development of this initiative. We strongly believe that this project aligns with the commercialization pathways outlined in the Green Energy Strategy, with a specific focus on decarbonizing energy sectors through the adoption of clean transportation solutions.

Thank you for your valuable time and consideration. We eagerly look forward to the opportunity to collaborate with you in driving Limpopo Province towards a sustainable future.

Warm regards,

Mr. Thakhani Makhuvha
